

HOW TO PACK

Your Mascot

Follow these six simple steps to prepare your mascot for safe transport to our Sussex studio.

Please read before packing.

IMPORTANT

Please ensure every costume component is completely dry before packing. Damp costume components may develop mould, odours or damage during transit.

1

BUILD

- Assemble the box
- Seal the base securely using the supplied gummed paper tape.

2

PROTECT

- Position your mascot inside the box.
- Wrap delicate areas with Kraft paper.
- Reuse any clean paper the box arrived wrapped in.

3

FILL

- Fill every empty space with kraft paper.
- Gently shake the box.
- If anything moves, add more paper.

4

CHECK IN

- Complete the Character Check-in Sheet and place it inside the parcel.

5

SEAL

- Seal every edge of the box securely.
- Attach the supplied FRAGILE label to the box sides.

6

READY FOR COLLECTION

- Attach the courier label.

TOP TIP >

Before sealing the box, gently shake it. If anything moves, add more kraft paper until everything is held securely.
